

Thank You to everyone who helped us in any way during Bob's illness – especially brothers Tim and David for watching over the farm and feeding Bob's beloved cats during our many trips to Sioux Falls, South Dakota, and to Randy Arnold for keeping our driveway open.

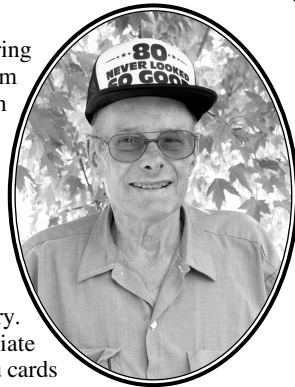

Thanks to Allan Johnson and Appleton Area Health for their wonderful care during Bob's many chemo infusions.

Thanks to Jason for his compassionate care in making funeral arrangements, to Father Brian for the beautiful funeral mass, to LuAnn and Pat for the music, and the women and men of the church for serving the luncheon.

Thank you for the beautiful flowers and money given in Bob's memory.

If we have forgotten anyone, we are truly sorry, for we do appreciate anyone who helped us in any way. Instead of sending individual thank you cards we are donating the money given in Bob's memory to Hospice in Willmar and Sioux Falls, South Dakota. They are a wonderful organization and deserve our support.

We must all pray for an end to cancer. It is a terrible disease.

The family of Bob Banken
