## **PUBLIC NOTICE**

The Milan Water System has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at 320-734-4411. To complete the service line inventory our system evaluated construction record drawings and performed visual inspections. As of 8/26/2024, our inventory contains 0 lead, 3 galvanized requiring replacement, 170 unknown material, and 44 non-lead service lines.
